Savings through energy efficiency

The Mass Save® Financing Program

The Mass Save Financing Program* provides customers the opportunity to apply for an interest free loan from participating lenders to assist with the installation of qualified energy-efficient improvements** in their facilities.

Real money that flows directly to your bottom line:

- Interest free loans available up to $100,000
- Terms up to seven years
- Additional incentives for qualified pre-approved energy efficiency measures

Energy efficiency improvements can provide:

- Better lighting conditions
- Increased comfort
- Improved work environment
- A pathway to corporate sustainability initiatives
- Monetary savings

Here are some energy efficiency improvements that may be eligible for the Mass Save Financing Program:

- High Efficiency Lighting/Controls
- Motors/Variable Frequency Drives
- Compressed Air
- Custom Measures

*Financing is subject to third party approval. Additional terms and conditions apply.

**Improvements require pre-approval from your utility or energy efficiency provider and must comply with program terms & conditions.

ABOUT MASS SAVE

Mass Save is an initiative sponsored by Massachusetts' gas and electric utilities and energy efficiency service providers, including Berkshire Gas, Cape Light Compact, Columbia Gas of Massachusetts, National Grid, New England Gas Company, NSTAR, Unitil and Western Massachusetts Electric Company.

The Sponsors of Mass Save work closely with the Massachusetts Department of Energy Resources to provide a wide range of services, incentives, trainings, and information promoting energy efficiency that help residents and businesses manage energy use and related costs.
