Mass Save® Participating Home Performance Contractors

Mass Save® Home Energy Services Program
PARTICIPATING CONTRACTOR

The contractors on this list participate in the Mass Save Home Energy Services Program served through Columbia Gas of Massachusetts.

Participating Home Performance Contractors are eligible to perform Home Energy Assessments and implement approved weatherization improvements.

In order to participate in the Mass Save Home Energy Services Program working with the contractors listed, you must:

- Have an active account with Columbia Gas of Massachusetts and heat your home with natural gas.
- Occupy a 1 to 4 family home.

Weatherization work associated with new construction, additions, renovations or any other projects where weatherization work is required to be completed in order to meet state or local codes are not eligible for the Home Energy Services Program incentives. Other restrictions may apply.

Please note, Columbia Gas of Massachusetts and Mass Save do not endorse, guarantee or warranty any particular contractor, manufacturer or product.

All Participating Contractors have provided proof of licenses and insurances in the state of Massachusetts and have completed program required training.

Mass Save offers standardized pricing for program-approved weatherization improvements for your convenience, soliciting several quotes is not requirec
