Get money back from us.

A fridge made before 1993 could be costing you approximately $200 to operate every year, depending on the size and model year. Replace it with a new ENERGY STAR® certified model and cut your related energy costs in half. For a limited time, receive a mail-in rebate* for ENERGY STAR certified refrigerators or freezers 7.75 cubic feet or larger! Some restrictions may apply.

$20 and **$30**

About ENERGY STAR Most Efficient

The ENERGY STAR Most Efficient designation recognizes the most efficient products among those that qualify for the ENERGY STAR. These exceptional products have passed rigorous third party testing and verification to prove that they represent the leading edge in energy efficient products for this year. For a comprehensive list of ENERGY STAR Most Efficient products and to learn more, visit **ENERGYSTAR.gov/MostEfficient.**

About TopTen USA Listed

Refrigerators and freezers, in addition to many other products categories, are designated as TopTen by the non-profit TopTen USA™. TopTen USA identifies and publicizes the most energy-efficient products available in an effort to make it easy for consumers to save energy and money. For a comprehensive listing of TopTen USA™ ranked products and to learn more, visit **TopTenUSA.org.**

(!) IMPORTANT: Photocopy your entire submission for your records. You may be required to mail these photocopies.

Your card is issued by MetaBank,™ Member FDIC, pursuant to a license from Visa U.S.A. Inc. Cards can be used at any merchants that accept Visa debit cards within the United States and US Territories.

This rebate is for the benefit of Massachusetts residential electric customers of Cape Light Compact, National Grid, NSTAR Electric, Unitil and Western Massachusetts Electric Company. This rebate offer is available to all Massachusetts residential electric customers of participating utilities and energy efficiency service provider and may be subject to change without prior notice. This rebate may not be combined with any other utility or energy efficiency service provider offer. The participating utility or energy efficiency service provider reserves the right to conduct field inspections to verify installations. Limitation of liability: Participating utility or energy efficiency service provider does not guarantee the performance of installed equipment expressly or implicitly. Customer agrees that the Energy Efficiency Program Provider (EEPP) has the unilateral right to apply for any ISO-NE capacity payments or environmental credits resulting from this energy efficiency project, and agrees not to file for such payments or credits either directly or indirectly. Manufacturer and/or retailer agree to provide the EEPP with such further documentation as the EEPP may request to confirm the EEPP's ownership of such benefits. *Rebate paid in the form of a Mass Save Visa Prepaid Card. The Visa Prepaid Card is not redeemable for cash or usable at any ATM. Terms and Conditions apply to the card. Subject to applicable law, a monthly maintenance fee of $3 (USD) applies, but is waived for the first six months after the card is issued. Your card is issued by MetaBank™, Member FDIC, pursuant to a license from Visa U.S.A. Inc. Cards can be used at any merchants that accept Visa debit cards within the United States and US Territories. Mass Save reserves the right to substitute a check of equal value in lieu of a Visa Prepaid Card at its discretion. **Please allow 6-8 weeks for application processing. For more information and to check the status of your rebate, call 1-877-318-8440 or visit smartenergy-zone.com/masssave (GJJ).**
