$200* Mail-in Rebate

Start saving right away with a qualified high efficiency clothes dryer. For a limited time, receive a $200* mail-in rebate! Some restrictions may apply. Just ask your local participating retailer for details.

A standard clothes dryer is typically one of the appliances that uses the most energy in your home, consuming almost twice as much energy as a refrigerator!

High efficiency clothes dryers are 30% more energy-efficient than standard models. They can save you up to $30 annually in energy costs. These savings can add up to more than $450 over the life of the clothes dryer!

For more information and for a listing of qualified high efficiency clothes dryers, visit **MassSave.com/ClothesDryer.**

Get $200* from your

participating utility or energy efficiency service provider with your purchase of an eligible high efficiency clothes dryer. This rebate is good for a purchase made from January 1, 2014 through December 31, 2014.

*See rebate form on reverse or ask your local retailer for details.

Reduce wear and wrinkles in your clothes and save up to $30 a year in energy costs.

Qualified high efficiency clothes dryers reduce wear and wrinkles associated with over-drying by using smart controls. These smart controls inform the dryer when laundry is finished, so there's no need to check drying status or worry about forgetting to unload the dryer.

Features such as steam dry help remove odors, freshen clothes, and relax wrinkles to reduce the need for ironing. High efficiency clothes dryers provide you with more convenience and less need to manage your laundry's drying process.

Look for qualified high efficiency clothes dryers at participating retailers. Call **1-877-ESTAR-4U (378-2748)** or visit **MassSave.com/ClothesDryer** for a complete list of participating retailers.

Your card is issued by MetaBank™, Member FDIC, pursuant to a license from Visa U.S.A. Inc. Cards can be used at any merchants that accept Visa debit cards within the United States and US Territories.

This rebate is for the benefit of Massachusetts residential electric customers of Cape Light Compact, National Grid, NSTAR Electric, Unitil and Western Massachusetts Electric Company. This rebate offer is available to all Massachusetts residential electric customers of participating utilities and energy efficiency service provider and may be subject to change without prior notice. This rebate may not be combined with any other utility or energy efficiency service provider offer. The participating utility or energy efficiency service provider reserves the right to conduct field inspections to verify installations. Limitation of liability: Participating utility or energy efficiency service provider does not guarantee the performance of installed equipment expressly or implicitly. Customer agrees that the Energy Efficiency Program Provider (EEPP) has the unilateral right to apply for any ISO-NE capacity payments or environmental credits resulting from this energy efficiency project, and agrees not to file for such payments or credits either directly or indirectly. Manufacturer and/or retailer agree to provide the EEPP with such further documentation as the EEPP may request to confirm the EEPP's ownership of such benefits. Rebate paid in the form of a Mass Save Visa Prepaid Card. The Visa Prepaid Card is not redeemable for cash or usable at any ATM. Terms and Conditions apply to the card. Subject to applicable law, a monthly maintenance fee of $3 (USD) applies, but is waived for the first six months after the card is issued. Your card is issued by MetaBank™, Member FDIC, pursuant to a license from Visa U.S.A. Inc. Cards can be used at any merchants that accept Visa debit cards within the United States and US Territories. Mass Save reserves the right to substitute a check of equal value in lieu of a Visa Prepaid Card at its discretion.

Please allow 6-8 weeks for application processing. For more information and to check the status of your rebate, call 1-877-318-8440 or visit smartenergy-zone.com/masssave (GL4).
