

## COOL SMART QIV Contractor Training

**Quality Installation Verification (QIV) training** will allow you to test and report on the installation quality for ENERGY STAR qualified central air conditioning units you install and help you differentiate yourself from the competition.

Call (508) 365-3260 to register for QIV training. Training is conducted by field experts in indoor training labs at locations as convenient as possible to contractors. Program TERMS and CONDITIONS apply.

Your QIV **training fee of \$200 will be reimbursed** upon completion of 5 QIVs per tech. Once the QIVs are completed, simply fill out the Training & Tool Reimbursement Form and mail to COOL SMART, 40 Washington Street, Westborough, MA 01581 or fax to COOL SMART at (508) 836-3181.

Talk to us about **ENERGY STAR Quality Installation** training, to reach an even more advanced level of installation and become a COOL SMART Premier Contractor.
