This rebate is for the benefit of Massachusetts electric customers of: Unitil, National Grid, Cape Light Compact, Western Massachusetts Electric Company and NSTAR. This rebate offer is available to all Massachusetts residential electric customers of participating utilities and energy efficiency service providers and may be subject to change without prior notice. This rebate may not be combined with any other utility or energy efficiency service provider offer; however, it can be combined with American Recovery and Reinvestment Act (ARRA) incentives. The participating utility or energy efficiency service provider reserves the right to conduct field inspections to verify installations. Limitation of liability: Participating utility or energy efficiency service provider does not guarantee the performance of installed equipment expressly or implicitly. Customer agrees that the Energy Efficiency Program Provider (EEPP) has the unilateral right to apply for any ISO-NE capacity payments or environmental credits resulting from this energy efficiency project, and agrees not to file for such payments or credits either directly or indirectly. Manufacturer and/or retailer agree to provide the EEPP with such further documentation as the EEPP may request to confirm the EEPP's ownership of such benefits. Rebate check paid in US dollars.
