WHAT'S MADE FROM A RECYCLED REFRIGERATOR?

THE FACTS

APPROXIMATELY

FREEZERS RECYCLED IN MASSACHUSETTS **SINCE 2006**

RECYCLED REFRIGERATOR PREVENTS UP TO ONS

THAT EQUALS

CARS FROM THE ROAD FOR A YEAR

REMOVING

THAT'S ENOUGH TO FILL AN ENTIRE FOOTBALL FIELD MORE THAN

FEET DEEP

OR PRODUCE 500,000 kWh OF ELECTRICITY

RECYCLED REFRIGERATORS

COMPUTERS

A YIELD OF NEARLY

MILLION **ALUMINUM CANS**

RECYCLING BENEFITS

SAVE ENERGY

annually

400

annually PROTECT THE ENVIRONMENT

OF MATERIALS ARE BENEFICIALLY RECYCLED OR RESPONSIBLY ELIMINATED

HOW CAN I

HAVE AN OLD, SECOND REFRIGERATOR OR FREEZER IN YOUR BASEMENT OR GARAGE? RECYCLING THOSE UNITS IS EASIER THAN YOU THINK!

Call Mass Save at 1-877-545-4113 or visit MassSave.com/recycle to schedule a free pickup

Your refrigerator or freezer is picked up at your home, loaded on a truck and transported to a recycling facility

At the facility, the refrigerator or freezer is dismantled, piece by piece

Components are recycled, reused or responsibly eliminated
