

Mass Save® Participating Independent Installation Contractors

The contractors on this list participate in the Mass Save Home Energy Services Program for customers that are served through Western Massachusetts Electric.

Participating Independent Installation Contractors work with Mass Save Energy Specialists to implement weatherization measures based on the program eligible recommendations from your Home Energy Assessment.

In order to participate in the Mass Save Home Energy Services Program working with the contractors listed, you must:

- Have an Active Western Massachusetts Electric Account in non-gas-heated home
- Occupy a 1 to 4 family home.

Insulation work associated with new construction, additions, renovations or any other projects where weatherization work is required to be completed in order to meet state or local codes are not eligible for the Home Energy Services Program incentives. Other restrictions may apply.

Please note, Western Massachusetts Electric and Mass Save do not endorse, guarantee or warranty any particular contractor, manufacturer or product. All Participating Contractors have provided proof of licenses and insurances in the state of Massachusetts and have completed program required training.
