

Only for **ENERGY STAR** Most Efficient certified for the Northern Region windows replacing single pane windows. Must have pre-screening visit and complete weatherization recommendations to qualify.

### Rebate

ENERGY STAR Most Efficient certified windows for the Northern Region

**\$75 per window**

Printed on 100% recycled paper.

## Receive \$75 per ENERGY STAR Most Efficient certified window

The Mass Save® window rebate is available to Massachusetts residential gas and electric customers where the Mass Save Program is offered by Berkshire Gas, Cape Light Compact, Eversource, Liberty, National Grid and Until. This rebate is good for the purchase of ENERGY STAR Most Efficient certified windows completed between January 1, 2024 and December 31, 2024. The rebate application and all necessary materials must be postmarked or submitted online by January 31, 2025.

This rebate is only eligible when replacing existing single pane windows with ENERGY STAR Most Efficient certified windows designated for the Northern Region. Customers must have the existing window type and quantity verified through a Home Energy Assessment or Virtual Special Home visit prior to purchasing and installing the new windows. Learn more and sign up for verification at [MassSave.com/GetVerified](https://www.masssave.com/GetVerified). To receive the rebate, customers must complete all weatherization recommendations made during an assessment prior to the installation of the windows.

## TERMS AND CONDITIONS

**Customer Eligibility:** Offers valid only for residential gas and electric customers in Massachusetts where the Mass Save Program is offered by Berkshire Gas, Cape Light Compact, Eversource, Liberty, National Grid and Until.

**Payments:** From the time the application is processed and approved, please allow 6-8 weeks for payment. Payment processing will take longer if information or documentation is missing from the application. Sponsors will not be responsible for any tax liability that may be imposed on the customer or contractor as a result of the payment of rebates. Sponsors and their rebate administrator's liability is limited to paying the rebate and incentive specified. Sponsors and their rebate administrator are not liable for any consequential or incidental damages or for any damages in tort connected with or resulting from participation in these offers. This rebate may not be combined with any other utility or energy efficiency service provider offer for the same equipment. This limitation does not apply to the HEAT Loan financing program. Other, non-Mass Save rebates or incentives may also be used. Rebate amount not to exceed the cost of equipment (excluding sales tax and all installation costs) and may be subject to change without notice.

**Installation and Environmental Credits:** Customer agrees that the Energy Efficiency Program Provider (EEPP) has the unilateral right to apply for any ISO-NE capacity payments or environmental credits resulting from this energy efficiency project, and agrees not to file for such payments or credits either directly or indirectly. The EEPP reserves the right to conduct field inspections to verify installations.

**Liability:** Participating utility or energy efficiency service provider does not guarantee the performance of installed equipment expressly or implicitly.

**Changes to This Rebate Offer:** These Terms and Conditions may be changed or terminated by the program administrators at any time without notice.

**(!) IMPORTANT:** Photocopy your entire submission for your records. You may be required to provide additional copies.

By submitting this rebate, you agree to the above Terms and Conditions.
