working environment.**

Brought to you by:

The Mass Save® Financing for Business Program

The Mass Save Financing for Business Program* provides customers the opportunity to apply for an interest free loan from participating lenders to assist with the installation of qualified energy-efficient improvements in their facilities.**

Real money that flows directly to your bottom line:

- Interest free loans available from \$5,000 to \$500,000***
- Terms up to seven years
- May qualify for additional incentives

Energy efficiency improvements can provide:

- Better lighting conditions
- Increased comfort
- Improved work environment
- Lower fuel cost
- A pathway to corporate sustainability initiatives
- Monetary savings

Here are some energy efficiency improvements that may be eligible for the Mass Save Financing for Business Program:

- High Efficiency Lighting/Controls
- Motors/Variable Frequency Drives
- Compressed Air
- HVAC
- Commercial and Industrial Kitchen Equipment
- High Efficiency Natural Gas Equipment
- Custom Measures

How to Apply

1. Contact your local utility or energy efficiency provider to express interest in Mass Save Financing for Business. Your provider will walk you through the necessary steps based on your application type.
2. Obtain a **Pre-approval Letter** and/or **Loan Subsidy Authorization Form** from your utility or energy efficiency provider.
3. Complete an **Energy Efficiency Loan Application** and submit to a participating lender along with your **Pre-approval Letter** and **Loan Subsidy Authorization Form**.

ABOUT MASS SAVE

Mass Save is an initiative sponsored by Massachusetts' gas and electric utilities and energy efficiency service providers, including Berkshire Gas, Cape Light Compact, Columbia Gas of Massachusetts, Liberty Utilities, National Grid, NSTAR, Unitil and Western Massachusetts Electric Company.

The Sponsors of Mass Save work closely with the Massachusetts Department of Energy Resources to provide a wide range of services, incentives, trainings, and information promoting energy efficiency that help residents and businesses manage energy use and related costs.

* Financing is subject to third party approval. Additional terms and conditions apply.

** Improvements require pre-approval from your utility or energy efficiency provider and must comply with program terms & conditions.

*** Scheduled interest payments on the loan will be pre-paid by the local utility or energy efficiency provider in lieu of a portion of the MassSave incentive or rebate. Pre-negotiated rate on loans is prime plus 100 basis points with a 6.25% floor.
