

AC Check Trained Contractors (by Region)

This list is provided as confirmation that these contractors have been trained in proper airflow and charge protocols through the Mass Save[®] Heating and Cooling program, helping to ensure that your equipment operates according to manufacturer's specifications. Sponsors do not endorse or warrant the performance of installed or serviced equipment, or the business practices of these contractors, either expressly or implicitly. Program sponsors make no warranties or representation of any kind regarding the services provided by these contractors.
