

Out with the old, in with the savings.

Get up to \$5,000 from the Massachusetts Department of Energy Resources for removing your old knob and tube wiring and installing insulation.

BENEFITS

- Monthly energy savings
- Energy efficiency
- Improved safety
- Increased comfort

HOW TO EARN

1. Complete a Mass Save no-cost Home Energy Assessment, which identifies energy-saving opportunities throughout your home. Call **866-527-SAVE (7283)** to schedule.
2. During your assessment, you must meet the eligibility requirements for insulation, which also qualifies you to receive up to 75% off the cost (up to \$2,000) from Mass Save®.
3. Once you commit to the insulation work, you're now eligible for a grant of up to \$3,000 from the Massachusetts Department of Energy Resources for removing your knob and tube wiring prior to the insulation upgrade.

Get started

Call **866-527-SAVE (7283)** to schedule your no-cost Home Energy Assessment. For more information on the grant, visit [MassSave.com/WiringGrant](https://masssave.com/WiringGrant).

Customers must meet program eligibility requirements to participate. Eligibility for rebates/incentives is based on findings from the Home Energy Assessment. Some restrictions apply and offers are subject to change or cancellation. Customers must live in a 1-4 unit home to be eligible.
