ENERGY EFFICIENCY MAKES $MART BUSINESS $ENSE

Want to add value to your property, increase occupancy rates and retain valued tenants by lowering energy and maintenance costs? Our programs may help you gain greater financial control by providing incentives for eligible energy efficiency upgrades.

MASS SAVE® MULTI-FAMILY PROGRAM

If you own or manage a residential multi-family facility with five (5) or more units, you may qualify for this exciting program. It's easy. Your local electric and gas utility or energy efficiency service provider offers you a no-cost, no-obligation energy assessment of your facility. Our "whole facility" approach focuses on the entire building, including insulation, lighting, cooling, heating and water heating systems. Benefits include:

FOR PROPERTY OWNERS:

* Lower your operating and maintenance costs
* Enhance your property's value
* Receive generous financial incentives to reduce upfront costs and make for shorter “payback” periods
* Be environmentally responsible
* Increase tenant satisfaction / reduce complaints

EVERY $1 YOU INVEST IN REDUCING YOUR ENERGY USAGE CREATES $10 IN VALUE*

FOR TENANTS AND CONDO UNIT OWNERS:

* Reduce energy costs
* Receive free or discounted energy-savings products
* Increase comfort
* “Green” your complex
* Improve indoor air and lighting quality

ABOUT MASS SAVE®

Mass Save® is an initiative sponsored by Massachusetts' gas and electric utilities and energy efficiency service providers, including The Berkshire Gas Company, Cape Light Compact, Columbia Gas of Massachusetts, Eversource, National Grid, Liberty Utilities, and Unitil. The Sponsors of Mass Save work closely with the Massachusetts Department of Energy Resources to provide a wide range of services, incentives, trainings, and information promoting energy efficiency that help residents and businesses manage energy use and related costs.

Low-income Multi-Family properties with 5 or more units may qualify for a program that provides services to income eligible sites at no cost. Visit LeanMultiFamily.org for details.

ELIGIBILITY

A residential complex/facility with five (5) or more dwelling units on the property is eligible for this program. The complex owner's or condominium association's (or authorized representative) approval is necessary for major energy efficiency upgrades. Tenants and owners must work together to make the program successful.

Dwellings with up to four units on the property may qualify for the Home Energy Services program or the income-eligible "Single Family" program. Visit MassSave.com for details.

GET STARTED TODAY! IT'S EASY.
