

Program guidelines

- Must purchase and install a new programmable or **ENERGY STAR** certified smart thermostat. Refurbished units are not eligible for rebate. Wireless connection must be enabled for smart thermostats
- Valid purchases and installations must be made between January 1, 2023 and December 31, 2023
- Maximum rebate cannot exceed purchase price
- Must be a residential natural gas heating or electric customer of a participating Mass Save® utility company or energy efficiency service provider
- Rebate form and supporting documentation must be postmarked by February 29, 2024
- Please allow 6-8 weeks from receipt of submission for your rebate to be mailed
- To receive your Mass Save rebate faster, submit your rebate application online by visiting [MassSave.com/Savings](https://masssave.com/savings)
- Some restrictions may apply. Rebate offers are subject to change without notice. By submitting the rebate application, the customer agrees to abide by these Terms and Conditions
- Participants who receive incentives through another energy efficiency program offered by the participating utilities are not eligible to receive incentives directly through this program for the same equipment

Reminder

- Older thermostats may contain mercury and should be disposed of properly. For more information on mercury and proper disposal, visit epa.gov/mercury

For more information about this rebate and programmable and smart thermostats, visit [MassSave.com/Thermostat](https://masssave.com/thermostat)

Other than the energy cost savings realized by the customer, the program administrator is entitled to 100% of the benefits and rights associated with the EEMs, including without limitation ISO-NE products and all other attributes, credits or products associated therewith under any regional initiative or federal, state or local law, program or regulation, and customer waives, and agrees not to seek, any right to the same.

Customers who have smart thermostats connected to central cooling can save even more when they enroll in the ConnectedSolutions program. Learn more at: [MassSave.com/CS](https://masssave.com/cs)
